DETAILED ACTION

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Allowable Subject Matter

Claims 1-7 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious the claimed combination including segments being drawn from the center of the movable scroll base plate so as to come in contact with respective driven crankshaft receiving portions and intersecting with an outer circumference of the movable scroll base plate on a back surface of the movable scroll member; a first region being defined by the segments and an arc of the outer circumference of the movable scroll base plate between the driven crankshaft receiving portions that are next to each other, where a relieving part is formed for relieving the heat deformation of the movable/fixed scroll spiral wall in at least a part of at least one of an outer circumferential wall of the movable spiral wall and an inner circumferential wall of the fixed spiral wall which corresponds to the outer circumferential wall of the movable spiral wall.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
